Hasbrouck Heights, N.J.—Redwood Realty Advisors announced the launch of its new real estate brokerage and advisory firm. The team of brokers will focus exclusively on multifamily properties in New Jersey and New York.

Redwood Realty Advisors was co-founded by multifamily industry leaders and long-time business partners Thomas McConnell, CCIM and Kevin McCrann. Combined, the two have 25 years of industry experience. McConnell most recently served as vice president and director of the National Multi Housing Group at Marcus & Millichap, and McCrann served as vice president and director of the National Multi Housing Group at the same firm.
