

NJBIZ Celebrates 2016 Forty Under 40

By NJBIZ STAFF, August 3, 2016

NJBIZ is pleased to present its 2016 Forty Under 40 honorees. These awards celebrate the rising stars of the New Jersey business community and turn the spotlight on names to remember in the years to come. These accomplished young professionals share many characteristics of great businesspeople, from a commitment to growth, professional excellence and contributions to the community.

Their defining characteristic is, of course, their success at a young age.

NJBIZ and the Forty Under 40 sponsors will celebrate these tremendous young executives and entrepreneurs at a special awards ceremony starting at 6 p.m. Sept. 26 at The Palace at Somerset Park in Somerset.
